ABOUT US

Established in 2003, Beeches has been providing quality, freshly prepared food for not only the Horsham catchment area, but as far afield as London and the South coast. With quality backed by value for money, Beeches has grown not only a substantial walk in trade from the local high street, but also over the years grown a successful corporate catering arm to the business. The marriage between locally sourced products wherever possible and innovative qualified staff has seen Beeches continue to expand over the years. A family run business with a passion for supporting other local independents and the community. We gladly welcome your interest and business, with no catering requirement too small.

Any catering, whether it be corporate or personal, talk to us and we shall design a bespoke catering package to meet your needs, any budget or dietary requirement.
